Go south on Atrisco exactly one mile until you see Holy Family Church on your left. It's the big church at the end of Five Points Road. Turn left after the church on that corner of Five Points and go two blocks until you see the Dorothy Day mural on the left (which is on the wall of our House) and pull in to either driveway.

From Cesar Chavez and I-25...

Go west until you cross Broadway and the Rio Grande river. Keep your eye out for the “Sunset-Five Points” intersection. Five roads meet there, so you have two choices for your right turn. At that traffic light you enter the intersection by NOT making a sharp right turn onto Sunset, and instead making a soft right turn half-way thru the intersection—onto Five Points. Go 0.8 of a mile until you see the mural of Mother Theresa on the right at our House. If you go a little more than a mile, you'll be at the end of Five Points Road—having gone two blocks too far and having to turn around to find us.
